

LONDON
FOSTERING
ACHIEVEMENT

**Live
science
shows!**

**Ride
on the Red
Arrows and
360° Flight
Simulators!**

Join us for a trip to the Science Museum!

At least one of the children in your care has been involved in the London Fostering Achievement programme via their school and virtual school. We would like to invite you and your foster family to join us for an evening of delicious milkshakes and spectacular scientific fun to celebrate their achievements at a special museum opening just for you!

The *Launchpad* is packed with over 50 interactive exhibits, plus electrifying shows and lively demos, all from the wonderful world of physics. *Launchpad* is all about asking questions and making sense of the way things work. What am I looking at? What would happen if...? Bring your foster family and join the social workers, teachers and virtual schools working with your children to have some fun and learn together about the amazing world around us.

Each looked after child from a participating school will receive a £25 gift voucher to spend in the marvellous Science Museum Shop and have the chance to meet some special guests. For more details and to sign up, visit:
www.londonfosteringachievement.org.uk/event/celebration

Date: 23rd September 2015

Time: 6.45pm – 8.45pm

Address: Launchpad, Science Museum, Exhibition Road, London SW7 2DD
(enter via Group Entrance door)

Please contact your virtual school or your child's designated teacher for more information or email lfa@fostering.net

This event is fully funded as part of London Fostering Achievement, with special thanks to your virtual school.
