

Tell me what happened?

Where did it happen?

Who was there?

When did it happen?

What did you think/feel?

What did they think/feel?

What did you do?

First?

Next?

Next?

What did the other person/people do?

First?

Next?

Next?

What happened in the end?
for you / for the other person

What are you thinking/feeling now?

What are other people thinking/feeling now?

What is needed to make things right?

What could you do next time?
