Lesson 7

Flappy Bats Game Assessment

Name:

Form Group:

Take Screenshots of your game at different elements of your game, you also need to screenshot the code that allows this to happen. You also need to explain what is going on in that section, in relation to the questions.

(Marks are awarded for what has been added as well as your understanding of your game.)

What is required and brief explanation	Screenshot of Game	Screenshot of Code
<i>Starting point of the game – (Screenshot your how your game starts)</i>		
<i>How does your sprite move? (Ensure you explain all types of movement that your sprite performs)</i> <i>Why does your bat keep falling constantly?</i>		

What is required and brief explanation	Screenshot of Game	Screenshot of Code
<i>What do your obstacles do in your game?</i>		
<i>What happens when you touch an edge or an obstacle?</i>		
<i>How have you used a score variable in your game?</i>		
<i>Have you made use of any other variables?</i>		
<i>How have you made the game more difficult for the player?</i>		

What is required and brief explanation	Screenshot of Game	Screenshot of Code
<p><i>Any other important pieces of your game, examples</i></p> <ul style="list-style-type: none"> • <i>Different backgrounds</i> • <i>Animated characters</i> • <i>Improves playability</i> • <i>Different levels of difficulty</i> • <i>Pickup</i> <p><i>(You can use the boxes below as well)</i></p>
